Victoria is often depicted as a beautiful winged goddess, symbolizing swiftness and agility. She is typically portrayed with a laurel wreath, or a victory symbol in her hand. Her symbolism and worship exemplify the importance of victory and triumph in Roman culture and the desire for success in all areas of life.

"V" is the Roman numeral for five. Come explore all five senses with us and savor the freedom of a space where anything can happen. V is love. V is V. V is life.
